

“Not going to get off this planet any other way...”

Peter A. Demma

**May 25th, 1937
To
August 28th, 2015**

Dear Friends and Family,

Announcing to you, in sadness but, more so, the great happiness with being blessed to have shared a life with and now share the departure of “legendary” Peter Demma:

It could not have been more to his choosing of how and where to leave us here on Earth than that Friday afternoon, August 28 at my home: St. George Residence, Santa Cruz, CA (old St. George Hotel above the Hip Pocket Bookstore owned and run by him in 1964, 6 months before I was born).

After about 3 hours of song requests from the 60's and asking me about the well being of many friends (unusual behavior since his stroke 10 years ago). Dad had a mere touch of death in my arms. Shortly he came back to breathing and a somewhat (or some kind of) state of conscience at 4:20p.m. As I looked in his eyes for what I felt to be the last, he exited via ambulance to Dominican Hospital therefore leading to his actual "place of death" at 8:33p.m. that night.

Please join Peter's Life Celebration Ceremonies to follow:

**Sunday, September 27th, 11:30 a.m. - 1:30 p.m. at Veterans Hall,
Front Street, Santa Cruz. Including; photos, stand up speeches (all are
welcome to contribute), Honored Guards, Taps performance and 21gun
salute.**
